# HOW TO REDEEM YOUR CODE

1 Locate the green credit coin that came with your Poptropica toy. On the back there is a code you can redeem to receive your special prizes.

2 Log into your Poptropica Account. If you don't have an account, go to Poptropica.com and save your game to create an account.

3 On your returning user page, there is a PROMO CODE box on the lower right side of the screen. Enter the code from the back of the credit coin that came with your toy.

4 Once you enter your code, you will receive the items in your inventory.

5 Go to your STORE INVENTORY to start using your new exclusive items!
